

WATERFRONT
INNOVATION CENTRE

125 Queens Quay East

PREMIUM WATERFRONT RETAIL FOR LEASE

PROPERTY OVERVIEW

The Waterfront Innovation Centre ("WIC") is located in the heart of Toronto's East Bayfront on Queens Quay East. The area is one of North America's largest redevelopment projects (approx. 2,400 acres), managed by Waterfront Toronto. Within steps of the future PATH connection and TTC LRT, WIC is a premium mixed-use development fronting onto Toronto's exclusive Waterfront.

WIC is an ~475,000 SF office and retail development, comprised of the two structures: the Hive (~375,000 SF) and the Exchange (100,000 SF). The office space is anchored by WPP plc (~260,000 SF), a multinational communications, advertising, public relations, technology, and commerce holding company, and MaRS Discovery District (~55,000 SF), North America's largest innovation hub.

WIC continues the growth of the South Core, Toronto's fastest growing submarket. Situated adjacent to Canada's Sugar Beach and Toronto's iconic Redpath Sugar Factory, WIC is a rare beachfront retail opportunity in Toronto.
